All changes take effect immediately after its publication.

Using PAYS service, by releasing a change of privacy policy, you agree with all the changes and accept them entirely.

Using PAYS service you give your consent to the policy views expressed and published on the portal.

ORDERING OF GOODS

Ordering of goods can be made 24 hours a day, seven days a week. Product selection can be made without prior notification to the PAYS service, but a log in is required on the PAYS service, when finishing the ordering process.

As a buyer, when logging in to the system, you gain the ability to add wanted items in the "Cart overview". You can select items using the "Navigation menu" where items are classified in categories and subcategories by the type.

By clicking on "Add to Cart" you can add an item to your cart (Cart overview) with one of these measurement units (piece, kg, l ...). If you have inserted the products of one producer in the "Cart overview", the products of another producer you can insert in the "Wishlist".

The amount of ordered items can be changed directly by entry into the field for the amount or with the buttons (+) and (-).

Quantities less than the unit presented can be ordered by going to the amount field to enter the desired amount (for example: if you want to order 500g of potatoes, it is necessary to enter in the amount field for the amount of 0.5). When ordering such items, delivered weight of the product can deviate from the originally ordered ones (+/- kg). **Note:** Please bear in mind that such discrepancies occur and can not be regarded as a complaint.

Overview of selected products and the amount you can view on the page "Cart overview".

The order enters the system only after entry of the data for delivery to the site. Application is set so that each time you order it will offer you the address of previous deliveries (in the drop-down list) that you can choose or change. **Note:** You have the possibility of changing the address for delivery and it can be added when filling out the data for delivery.

To complete the order you need to click on the "payment" in the "Cart overview" and on the "Payment" page check all entered data and by clicking on the payment button you will be redirected to a payment processor in order to perform reservation of funds for payment.

It is not possible to add items or change the confirmed purchase order once the payment process has finished, or when your assets are reserved from the card and the order is formed. If you have urgent and immediate cancellation of the entire order, please refer to the email: office@pays-system.com or call our phone 021/455-071.

PREPARATION AND DELIVERY OF GOODS

Before transport, in preparation for delivery, the producer (farmer) packages the goods in appropriate packaging and deliverer ensures proper storage and transportation in his transport vehicle.

The possibility of damage to goods in transit is not excluded. Upon delivery of defective and/or damaged goods, you have the right not to pay the amount of the invoice for the cost of the damaged item. The buyer is obliged, when taking over the goods ordered to check for any damage, immediately report it using his/her mobile application for PAYS service and to refuse to take over the damaged goods.

Checking the correctness of order upon receipt depends on the customer, and subsequent complaints are respected in accordance with the Serbian Law, through a person responsible for dealing with competent from the company INDUSTRIAL PROJECT. More about the risks that may arise during the delivery of goods, you can find out in paragraphs COMPLAINTS / RETURNS / REFUND.

DELIVERY

Ordered goods producers deliver by their own transport or by using a profesional deliverer (courier), which can be selected from the PAYS system.

Dates of delivery shall be determined when ordering and can not be subsequently changed.

PAYMENT OPTIONS

Payment on PAYS service can be made only cashless, through MASTERCARD, VISA and MAESTRO cards.

Buyers, who are individual or legal persons, are obligated to pay for the goods ordered on the portal <http://www.pays-system.com> upon delivery (acknowledgment for the receipt of the package provided by mobile application).

COMPLAINTS / RETURNS / REFUND

On goods, purchased by PAYS service, the customer can file a complaint at the point of delivery by checking the content and quality of the goods ordered by using PAYS mobile application. If you have any complaint you can not resolve upon delivery of the goods it is possible to leave a comment on every order and rate each producer individually, and you can always send us an e-mail at office@pays-system.com.

Employees of the PAYS service are trained to deal with complaints and act according to set rules and terms issued by the PAYS legal entity. An important assumption and a condition for resolving complaints is the full exchange of information with customers and the existence of the invoice and the original packaging (if any) of the goods subject to complaint.

The buyer is obliged to keep and submit an invoice and if possible packaging.

All complaints arose after the moment of takeover of the delivered package must be considered separately.

Complaints will be acceptable only within the framework of the law and regulations of the Republic of Serbia.

Upon delivery of the goods the buyer is obliged to:

- check the validity of delivery,
- compare the goods received with the invoice,
- if something is missing immediately note it through PAYS mobile application and to the deliverer.

If the complaint is resolved in favor of the buyer, and for the case of inability to deliver another, the replacement for the goods, the Distributor will reimburse the buyer his purchase in the value of goods for which the complaint is accepted.

In case of return of goods and refund the customer who has previously paid one of the enabled payment cards, in part or in full, regardless of the reason for the return, PAYS-SYSTEM is obliged to refund only through VISA, EC / MC and Maestro payment methods, meaning that the bank will perform the request of the seller refund the customer's account card.
